

SALICORP
CARBON
- R A N G E -

A distinctive surface treatment on the Carbon's range decorative layer gives a silky and smooth tactile user experience. Its high resistance to micro-scratches and abrasion helps avoiding surface distortions and gives a lasting impression.

Carbon is extremely matt and near to zero gloss which gives its optical elegance via intensive light absorbance and homogeneous colour dispersion.

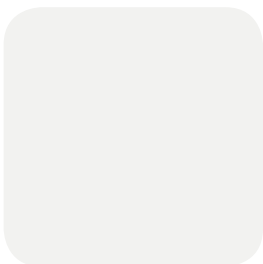

Carbon Gray
8105

Carbon Black
8101

Carbon Anthracite
8103

Carbon White
8102

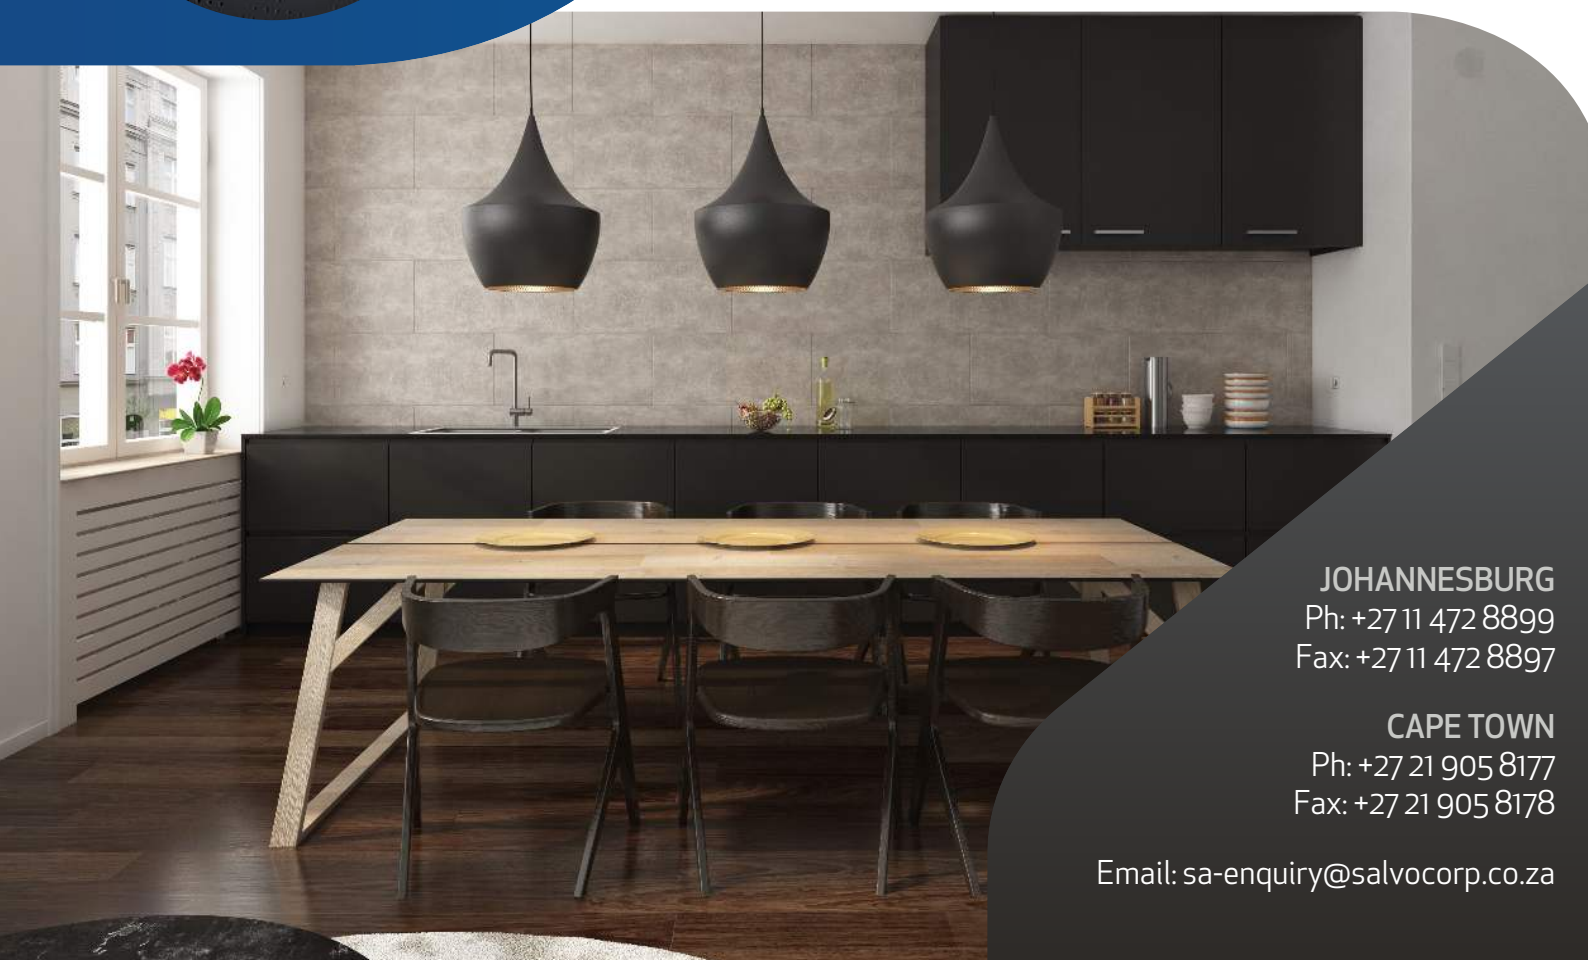

**Carbon finish:
Anti-fingerprint**
