

Product Options. For each individual Use.

Max Compact Interior

Max Compact Interior is a highly versatile product fit for all of the design challenges a washroom environment poses.

- Max impact resistance
- Max stability
- Max durability
- Max moisture resistance
- Max hygiene

Max Compact is the perfect solution for cubicles, IPS, lockers and benches.

Max HPL

Max HPL offers the perfect solution for IPS, vanity units, doors and wall linings with its unique properties allowing the fabrication of detailed components for your washroom.

Star Favorit (MFC)

Star Favorit MFC (Melamine Faced Chipboard) is offered here with our high performing moisture resistant (P5) core. MFC is the ideal panel solution for carcass & low-impact areas and provides a cost-effective solution to matching decors throughout your scheme.

Individualdecor

For totally individual projects, we offer our custom printed panel solutions. We take your high resolution images and encapsulate them in our high performance surfaces (Compact or HPL).

Properties*

All our products are manufactured in line with EN438 and EN312.

easy to clean

scratch resistant

quick installation

durable

impact resistant
